

I loved art from the very early years. Looking at the fresco painting of Saints on the walls and ceilings of the parish church was fascinating. At my school, the teachers noticed my ability to draw and paint. They gave me the task to make large posters of all the continents with their typical wildlife. Little did I know then, that one day, I would be living in the land of the kangaroos. Those pictures were still on the wall, when I returned some years later. Years went by and I admired the work of other artists. At the end of Year 2000, I became a student of master realist impressionist painter, the late Kevin Taylor. He was a dedicated teacher. I love painting. Mixing oil paints is for me, poetry of colour. He also encouraged me to exhibit my paintings, which I have been doing since.

I have participated in many group exhibitions:

KINGSTON ART CENTRE: 2001 – 2008

GLEN EIRA CITY COUNCIL GALLERY:

2009-2011; 2013-2015.

MENTONE STUDIO: 2002.

INTERNATIONAL FLOWER & GARDEN SHOW:

2001 -2015

NOBLE PARK COMMUNITY CENTRE: 2008 – 2014

KINGSTON ARTS: ARTZ BLITZ 2014

I would like to thank Pater Ciril for the organization and advertisement for my first solo exhibition.

Big thank you, Pater Ciril!

To my family: Love and thank you for all your support in endeavoring me to follow my dream.
